

Greetings, Frisco High School Band Parents and Students,

We hope your family has been enjoying a safe and relaxing summer! The Frisco Band Staff would like to welcome you to the 2025-26 school year, which is shaping up to be a great one for the Frisco High School Band program. Our members worked hard at their music camp at the end of May, in preparation for the fall marching band season and our **2025 production, "GOTHIC."** Many students are taking summer private lessons, and working with their squad and section leaders one-on-one, making great strides. Several sections have been meeting in preparation for the season; our prop construction is underway; and our incredible Band Booster Organization has been busy planning some truly great things for the students!

We are also very excited to welcome the newest member of our band staff, **Mr. Michael Patri**. He will serve as our new Assistant Percussion Director- [click here](#) for more on Mr. Patri!

This Summer Newsletter contains a great deal of information we hope you will find very helpful. Documents include **Summer Band Camp Information, Health Guidelines and Required Supplies List**, and an **Important Dates Guide**, among others. In addition, the **Frisco Band 13-Month Comprehensive Band Calendar** has been released on the [band website](#)! Family members are encouraged to familiarize themselves with this information for planning purposes over the next few weeks.

New this year, we will hold a **new-member parent brunch meeting** on band registration day, July 26! We request that all new-member families have at least one parent present to receive important information. Brunch will be provided free of charge, courtesy of the Band Boosters! Registration forms and paperwork will be distributed and explained at this meeting; please do everything you can to attend. New member families will follow up brunch immediately with our walk-through registration process; returning-member families have assigned times later in the morning- please see the band calendar for those details. (Registration packets for returning members will be available for pickup on registration day). Contact Mr. Simon with any questions.

Finally, as we look forward to a fun and rewarding experience that the Band Staff will strive to provide for each member this year, we urge *all parents* to become involved in whatever ways they can. Consider volunteering for a committee, an event, as a chaperone, or whatever else you are able to do to support your students' endeavors in this incredible organization. Parents who have been around will tell you that THEY also enjoy making life-long friends and having great experiences as active members our Booster Organization. There will be many volunteer opportunities presented at Band Registration- We hope you'll join us!

Please don't hesitate to contact us if you have any questions. We look forward to seeing our percussionists on July 15th, student leaders on July 18th, all then all of the students back on July 22nd!

Sincerely,

The Frisco Band Staff

FRISCO HIGH SCHOOL BAND

SUMMER BAND CAMP INFORMATION

Camp Schedule

Please refer to the comprehensive, 13-month **Frisco Band Calendar** [on the band website](http://www.friscohsband.org) for all Summer Band Camp dates, times, and locations. This calendar also contains the schedules of events and performances *throughout the rest of the year!* It is our hope that this will help with long-range planning; we will work to draw families' attention to any changes or updates that occur during the year due to matters out of our control. The most up-to-date calendar will always be kept on the Band Website- please refer to it often! www.friscohsband.org/calendar

Locations

All of our summer band rehearsals take place at Frisco High School. Students should be dropped off at the band hall entrance in the back of the school, Door B14.

Attendance

Attendance at all Summer Band rehearsals and events is required for all members of the Band and Color Guard. Putting together a production of this magnitude in time for our first football half-time performance on August 29th is a MASSIVE challenge, which will take all of us working together. Mr. Simon will be handling all attendance-related matters during the marching season- please email him with any questions or concerns regarding attendance: SimonD@friscoisd.org

Transportation

We appreciate all families taking a proactive approach to transportation challenges, especially during meal breaks in the middle of the day. We have a wonderful group of Student Leaders and other older members of the Band who drive, and would be willing to help with carpooling to and from rehearsal locations. If you have a student who does not drive, please encourage them to contact their student leaders for ride assistance when needed.

Meals During Camp

Please see the handout 'Health Guidelines and Supplies List' for information on proper nutrition for outdoor activity. It is essential that students keep well-nourished through the extended Summer Camp days. The Band will not be providing daily lunches or dinners. **We ask that families make sure to coordinate their students** to either bring a lunch to eat, or to have a plan in place for them to leave with family members or older students in their section to grab food at a nearby restaurant. When the schedule shifts to evening rehearsals (5:00 – 8:30 pm), students should arrive having eaten an early dinner; we'd also recommend that they bring a light snack to eat during a mid-rehearsal break.

Band Registration

Band Registration is the morning of Saturday, July 26th, in the FHS Cafeteria. Students do not need to accompany their parents to the Saturday registration, but may if they wish- ***see the Band Calendar for specific times by grade level.***

New this year, we will hold a **new-member parent brunch meeting** on band registration day, July 26! We request that *all* new-member families have at least one parent present to receive important information. Brunch will be provided free of charge, courtesy of the Band Boosters! Registration forms and paperwork will be distributed and explained at this meeting; please do everything you can to attend. New member families will follow up brunch immediately with our walk-through registration process; returning-member families have assigned times later in the morning- please see the [band calendar](#) for those details. (Registration packets for returning members will be available for pickup on registration day). Contact Mr. Simon with any questions- simond@friscoisd.org

Social Events

Summer Band Camp features exciting social events, planned and coordinated by our wonderful Band Booster Organization as well as our Student Leadership Team. These are a great chance for the students to have fun together and celebrate their hard work in a relaxed atmosphere. The first of these will be on Friday, July 25th, at an off-campus venue soon to be determined! More details will be available soon and communicated via email. Finally, to celebrate the end of Summer Band Camp on Monday, August 11th, the students will enjoy the **End of Summer Band Camp Party** from 9:15 – 11:00 pm on the JV Field, hosted by our Student Leaders. This will follow our annual Family Cookout and Parent Preview performance- see below!

Family Cookout and Preview Show

On Monday, August 11th, we will hold our annual **Frisco Band Family Cookout and Family Preview Performance**. Parents and siblings are encouraged to come out and enjoy a meal with us! The cookout will begin at 7:00 pm; we'll begin our parent meeting at approx. 8:00, followed by our special family performance. More information will be presented at the July 26th registration. Please join us for a first glimpse of the amazing work your students have been doing with our 2025 Marching Production, **'Gothic'**.

Frisco High School Band Summer Camp 2025

Health Guidelines and Supplies List

Please note that our Summer Band Camp will include morning or evening rehearsals OUTDOORS. Students all over the country have been practicing for marching band outside for many years, some in locations even warmer than Texas!

Members will remain safe and healthy if they adhere to the following guidelines and requirements for attire.

Students MUST follow the guidelines below in order to participate in outdoor Band rehearsals. Any student who is missing a required item or is wearing improper attire may not be allowed to rehearse with the Band. These guidelines are in place in the interest of student safety.

Required Attire and Supplies for ALL Outdoor Rehearsals:

- **Blue Frisco Band 1-gallon water jug (provided to new members as part of Band Fee) with fresh water**
 - Refills are required for EVERY outdoor rehearsal
 - Students MUST NOT share water jugs for sanitary and health reasons
- **Light-colored, light-weight, and loose-fitting shirts**
 - NO SHIRTS EXPOSING THE MIDRIFT, OR BLACK/ VERY DARK SHIRTS
- **Loose athletic shorts allowing free movement**
 - NO DENIM OR LONG PANTS
- **Athletic tennis shoes with arch support, athletic socks, and tied shoe laces**
 - NO FLAT-SOLED CONVERSE-STYLE TENNIS SHOES, HIGH TOPS, OR SLIP-ONS
- **Wide-brimmed hats and sunglasses**
 - Hats and sunglasses are essential to combatting the sun. Students must also maintain the ability to SEE during outdoor rehearsal. Hats and sunglasses are required of all members
- **Sunscreen, spf 30 or higher**
 - Applied before rehearsal and during breaks
- **Bandana, hand towel, or Chilly Pad®**
 - Students will drench these in cold 'spirit water' and wear around the neck to keep cool and productive!

Other Health-Related Guidelines:

It is important to practice proper nutrition and hydration when participating in any outdoor activity.

- **Eat a good breakfast** before practice, and continue to eat well at other meals. AVOID HEAVY DAIRY and EXCESS SUGARS. Fruit, whole-grains, and non-greasy proteins are best.
- **Drink WATER** with every meal and throughout the day during band camp. Stay away from soft drinks and other drinks loaded with sugar at all times. These inevitably result in dehydration/ queasiness when outdoors.
- All members should begin **hydrating with water** throughout the day **Several days before** they report for Summer Band Camp. Dehydration will occur without proper preparation BEFORE the first day of activity.

*Students do receive a P.E. credit for participation in marching band. There will be physical activities that include elements of strength training, cardiovascular exercise, balance and endurance training, yoga, and dance elements. Student participation is required for enrollment to be maintained. **If a member feels sudden dizziness or is otherwise unable to continue a certain activity, he or she will be excused to take a break.** Students who are frequently unable to participate in rehearsal activities due to improper hydration, diet, or attire may risk their role in the show and/or their P.E. Credit.*

General Supplies for Frisco Band Musicians:

(Color Guard, please refer to Mr. Leikness for your needed supplies)

- **Required: Band Bag** to carry music, supplies, and accessories to all rehearsals.
- The official *Frisco Band Drawstring Bag* sold by the Booster Organization is a perfect option! These will be available for purchase at band registration. Any other backpack (dedicated for band) will work well also.
